

Student Conduct on Buses

The privilege of riding a school bus is contingent upon a student's good behavior and observance of the student code of conduct and established regulations for student conduct both at bus stops and on-board buses.

The driver of a school bus shall be responsible for safety of the students on the bus, both during the ride and while students are entering or leaving the vehicle. Students shall be required to conform to all regulations concerning discipline, safety and behavior while riding on the school bus. It is the bus driver's duty to notify the supervisor of transportation and the principal of the school involved if any student persists in violating the established rules of conduct.

After due warning has been given to the student and to parents/guardians, the principal may withhold from the student the privilege of riding the school bus. Violation of district policies and regulations while on the school bus may also result in the student's suspension or expulsion from school, in accordance with district policy.
